

MySQL Assignment(1)

Dataset: Cats

In this section, we'll use the cat table. It consists of the following columns:

- id – The ID number of a given cat.
 - name – The cat's name.
 - age– The cat's age.
 - gender – The cat's gender.
 - fav_toy – The cat's favorite toy.
-

- Exercise 1: List All Cats.
- Exercise 2: Select Younger Cats than 5.
- Exercise 3: Select Cats Whose Favorite Toy Is a Ball
- Exercise 4: Find Older Cats with a Favorite Toy a Ball
